The centenary celebration of the Apeejay Group was a glitzy affair as business honchos and socialites flocked to The Park on Friday night. Among the guests were financial stalwarts, musicians, designers and other 'stars' of the town from across the country. Among the city's swish crowd present were the Reddys, the Kondrathis, the Pillais, the Alam Khans and the Saranas. The live performances by Bickram Ghosh and Greg Ellis stole the show while Papa CP's comic act left guests in splits. Among those spotted were A.K. Khan, Indira Subburami Reddy, Narinder Sarana, Tarun Talibani, actress Shreya Saran, Talia Dubash and many others.
