

**FOR A CAUSE:** Student participants in the 26th version of the Art Workshop, organised by Apeejay Anand Children's Library and held at the Apeejay House Lawns in Park Street on Monday. The event was themed on Vasudhaiva Kutumbakam — One World, an Undivided Family. More than 1,100 students from around 60 schools in the city participated in the workshop, painting globes and joining hands holding white umbrellas. All students went home with hampers and goodie bags, while the winners received certificates.

The event is held as part of an outreach programme by the library to help underprivileged youth by encouraging them to contribute to society creatively and artistically. "Through this event, which is the brainchild of Priti Paul, we are commemorating Anand Paul's birthday. The young man died in tragic circumstances and we do not want any child to be lost in such a manner. So, we remember the occasion by giving the children an opportunity to have fun," said Rita Chatterjee, the principal of Apeejay School.
